Lance,

Here are the meeting notes and action items I had from yesterday. Please let me know if I left anything out. Thanks.

#### Meeting Notes and Action Items from Wednesday, July 31

##### Wilcox

- Draft summaries of the 104(e) responses received using the table below for meeting Monday 8/5.
- Complete a table that includes all parties in the title chain and the corresponding corporate history for each company for meeting Monday 8/5. See template below.
- Search for Moody's Industrial Manual information for The Producers Oil Company and The Texas Company for the timeframe Producers operated at the site.
- Order corporate documents for associated companies before meeting Monday 8/5

##### Cedar Chemical

- Phil Allen is working on the SOW (per CAS email 7/31, the SOW will be done Aug. 5)
- Marvin is reviewing the SNL
- ❖ I will follow up with Mark Peycke on the schedule (mid-August projection)
- Enforcement Record – I requested to review the draft; please send today.

##### Evr-Wood

- GNL/104(e) in concurrence since 5/21/13; letter was with Deborah for several weeks
- Lydia signed off on the letter for Ben on 7/31
- You will track letter through concurrence until completed and notify of any delays for my follow-up

##### BRI

- PRP search is complete
- Target for this fiscal year
- Plan is to have the CRDD in concurrence by mid-September '13

- Lance's action items
